Our Total Education Solution Utilizes Progressive Teaching And Learning Methods

We, at ASUS Philippines, are here to help cultivate the minds of the next generation with a total solution for progressive, innovative, and mobile learning. Education is what countries are built on. For society to progress and nations to sharpen their competitive edge, education must constantly innovate.

At ASUS, we look into the future with current needs in mind to design the ideal education experience both for learning and teaching processes. We believe that with technology, every student and teacher can benefit from an individualized learning and teaching experience that is as effective as it is engaging. Because in today's digital age, learning and sharing of knowledge does not need to be confined to the classroom — it can be accomplished anytime, anywhere with the help of mobile technology and the cloud.

And we, at ASUS Philippines, are here to provide you with the total education solutions.

Total Education Solutions for:

- Elementary School Level (Kindergarten to Grade 6)
- Junior & Senior High school Level (Grade 7-12)
- College, University, Graduate-School Level
- Teaching Staff/Administrator/Alumni

Why trust ASUS?

CONVENIENCE

Wide Range of Product Lines and Partners Nationwide

From laptops to all-in-one PCs, ASUS provides the best of technology for online and remote learning demands of schools, students, teachers, and staff that are available in our dealer partners, e-tailers, and concept stores nationwide.

EASY & SPECIFIC

Catered to every education level and teaching needs

We first studied what are the specific needs or requirements of each education level and teaching staff especially in the remote and e-learning system. Then with our wide range of selections, we identified what laptops, PCs, and even services are fit and helpful in both learning and teaching processes.

SAFE & RELIABLE

After-Sales Support

Wherever you are, there's an ASUS Service Center (ASC) that will help you ensure that your device is secured and well taken care of. Each product comes with up to 3 years of warranty. (see page 44-45 to know more)

ASUS Education Program

Special Price on ASUS Products

In this ASUS Education program, we offer special prices for laptops and all-in-one PCs to partner schools, students, faculty, and teaching staff. Whether for procurement or personal purchase, we offer discounted rates. Please see product list on next pages.

Flexible Delivery Options

With the current pandemic and new normal approach – where study at home or remote learning is crucial – ASUS offers flexible delivery options. For partner schools procurement, ASUS can deliver in the school meanwhile for personal purchase, we offer pick-up or delivery option but may vary per dealer partner.

100% Compatible and Optimized for School/Work Applications

ASUS ensures that our laptops and desktops are 100% compatible and optimized with Microsoft, Google and other popular education applications best for the students and faculty members use. See page 30-31 for the list of education applications Microsoft and Google offer.

ASUS Education Partnership Proposal

- After procurement & delivery of units, the partner school to announce ASUS as an official education partner
- Partner school may invite ASUS to support for school-wide events and activities
- ASUS to invite partner school rep as well in some ASUS events (online)
- Become our "ASUS Success Stories" feature Education partner (See page 32 for sample)

If agree, please let our representative know so we can endorse you to ASUS Philippines Education Team and set a meeting with you.

Ensuring The Best Quality Laptops

Durability is a hallmark of ASUS design. We strive to create devices that exceed expectations in any environment. That's why ASUS laptops undergo a rigorous torture-test regime, including military-grade testing to the demanding MIL-STD-810G standard*. Using up to 15 separate tests in environmental conditions, we hope you'll never encounter. So whether you're an urban explorer or an Arctic trailblazer, you can rest assured your laptop is ready for the worst that life on the road can throw at it.

DROP TEST

Drop tests check the resistance of the chassis and internal components to damage from unexpected drops.

SHOCK TEST

Shock tests ensure a laptop can withstand unexpected impacts such as accidental bumps, or jarring movements during shipping.

VIBRATION TEST

Extensive vibration testing ensures that the chassis and internal components can withstand even the most extreme travel conditions.

ALTITUDE TEST

This tests the ability to survive extremes of altitude encountered in shipping by air or air travel.

HUMIDITY TEST

This tests the ability to operate in hot, humid environments for ten 24-hour cycles.

ACCELERATED LIFE TEST

These simulate the effects of long-term operation, so engineers can identify any possible design or component vulnerabilities.

TWIST TEST

Twist tests confirm that the chassis is strong enough to retain structural integrity even when uneven pressure is applied.

ENHANCED HINGE TEST

Vigorous testing with over 20,000 open/close cycles helps ensure exceptional hinge strength.

PANEL RESISTANCE TEST

Vigorous testing with over 20,000 open/close cycles helps ensure exceptional hinge strength.

TEMPERATURE TEST

Extremely high or low temperatures tests ensure laptops' functions consistently for users everywhere.

NOISE AND AUDIO TEST

Laptops undergo fan, hard drive, and power-supply noise tests to ensure the quietest performance possible.

EMI TEST

This ensures that ASUS laptops perform well in internal or external electromagnetic fields.

KEYBOARD TEST

To ensure ultimate keyboard durability, specially designed ASUS robots test individual keys with millions of keystrokes.

PORT TEST

Port tests ensure that contacts and plugs are durable even in environments where devices are frequently connected and disconnected.

TOUCH PANEL PRECISION TEST

Checks the responsiveness and accuracy of the touchscreen for a natural touch and writing experience with ASUS Pen.

Reliable Laptops for Study and Work

■ Larger display, more compact size

The slim-bezel NanoEdge display provides more screen in less space, for an incredibly compact footprint and lightweight portability. Business travel with a large-screen laptop has never been easier.

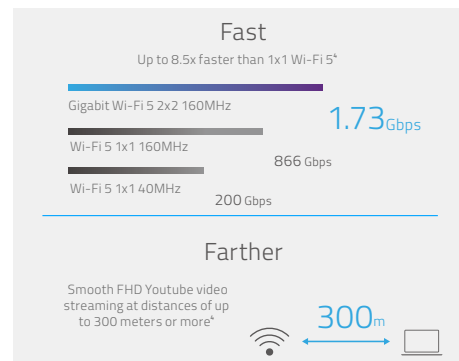

■ All-day stamina, anywhere

Not to let you down during the meetings or extended journeys, all ExpertBook offers at least 10 hours battery life – a full working day – on a single charge, so you can stay productive for longer when you're far away from power outlets.

■ Ultrafast SSD and high-capacity HDD

Dual storage is the standard specification that ExpertBook features, which give business users the benefit of the ultrafast data access with an SSD and huge storage capacity of the HDD. It's the perfect combination to supercharge your productivity.

■ Internet Without Bounds

With optimized placement of Wi-Fi antenna and the dual-band Wi-Fi 5 with the highest specification (Wi-Fi 5 2x2 160MHz) in ExpertBook, you'll enjoy faster and more reliable Wi-Fi connections.

1. For subscriptions that do not include the fully installed Office apps: Users can connect the following versions of Outlook to their business-class email, so they can use the rich client app they already know: the latest version of Outlook, Outlook 2013, and Outlook 2011 for Mac. Previous versions of Outlook, such as Outlook 2010 and Outlook 2007, may work with Office 365 with reduced functionality. This compatibility with Outlook does not include the Exchange Online Kiosk or Office 365 K1 plans.

2. Unlimited personal cloud storage for qualifying plans for subscriptions of five or more users, otherwise 1 TB/user. Microsoft will initially provide 1 TB/user of OneDrive for Business storage which admins can increase to 5 TB/user. Request additional storage by contacting Microsoft support. Storage up to 25 TB/user is provisioned in OneDrive for Business. Beyond 25 TB, storage is provisioned as 25 TB SharePoint team sites to individual users. The OneDrive for Business sync client is available with Office 2016 or with Office 365 subscriptions that include Office 2016 apps. If you don't have Office 2016, a **free download** of the OneDrive for Business sync client is also available.

3. Publisher and Access: Windows PC client program and/or features only; cannot be used across devices. Most plans that do not include the desktop version of Office work with the latest version of Office, Office 2013, and Office 2011 for Mac. Previous versions of Office, such as Office 2010 and Office 2007, may work with Office 365 with reduced functionality. This compatibility with Office does not include the Exchange Online Kiosk or Office 365 F3 plans.

ASUS Success Stories

Education Solutions for La Salle College Antipolo

"I think this partnership with ExpertCenter is very timely because we really need to be at par with the technological stability of other schools."

"We should make sure that we are with a company that's highly reliable. We also want to make sure that the after support that is provided to our students and our teachers will be fully maximized also."

NYK-TDG Maritime Academy equips Seafaring Students with ASUSPRO Notebooks

NYK-TDG Maritime Academy chose the P2420LJ as the students' deployed units due to the balance of productivity and mobility. The slim, one-piece build, and the robust hardware and software sets and configurations, plus the professional look, keeps up with the students as they face the professional world of Maritime Industry thru their Internship.

Training Center for Filipino Chinese Cultural and Economic Association (FCCEA)

ASUS Philippines and its key partners equipped the training facility for the employees of the Filipino Chinese Cultural and Economic Association (FCCEA), with twenty-two (22) units of the ASUS Vivo AiO, an All-in-One PC which is designed to maximize their productivity and intuitive learning

ASUS Addresses technological challenges in Sto. Domingo National Trade School

As ASUS believes in the potential of the younger generation, the company is in full support to provide technological solutions by donating fifty (50) pre-owned ASUS laptops to Sto. Domingo National Trade School. The units will be installed in the school's main computer laboratory and will be used by its current students, faculty members, and the future enrollees of the school. Now, the students will enjoy 1:1 ratio (1 laptop unit per 1 student) – where they can individually maximize the use of laptop in their learning process and become computer literates in the near future.

ASUS Empowers the young learners of Lamo Elementary School

With ASUS' continuous commitment in providing technological solutions in education, ASUS Philippines and its partner ASUS Foundation have reached a humble school in Dupax Del Norte, Nueva Vizcaya - Lamo Elementary School. With an overall population of almost 200 young students from kinder to grade 6, the school gets support from its alumni and other partners who are quite active in pushing the school's development

ASUS Provides True 2-Year International Warranty (100% FREE Service Charge & Spare Parts)

Did you know that only ASUS offers a 2-year Global Warranty that is absolutely FREE? Some vendors claim to give a 3-year warranty, but it is actually only 1 year warranty plus 2 years free of service charge. You still have to pay for the cost of replacing spare parts. Under them, this means if the 1 year warranty has expired, you still have to pay the cost of spare parts for repairs.

IWEP Validation Procedure

The International Warranty Extension Package must be registered and activated online within 90 days of your ASUS Notebook purchase date. This package will expire if you have not registered it within the specified period and you will not be able to enjoy the package benefits. ASUS recommends that you register this package right after purchasing it.

To register and activate your ASUS IWEP, follow these steps:

- 1. Become an ASUS Member**
Go to the ASUS Member website at [https:// account.asus.com/](https://account.asus.com/) and sign up to become an ASUS member. If you are already an ASUS member, proceed to Step 2.
- 2. Register your product**
Log in to the ASUS Member website at <https://account.asus.com/> and click on "Product Registration" from the left side menu. Please fill in the form with the relevant details of your notebook.
- 3. Activate International Warranty Extension Package Service**
- 4. Relax and Enjoy Your ASUS Notebook**

Click on "Warranty Extension Activation" on the left side menu and follow these instructions:

- Select the registered product for which you have bought the International Warranty Extension Package.
- On the online form, enter the Contract Code and Password obtained from the back of your ASUS IWEP VIP card. Click on "Submit" to finish the process.

Congratulations! You are now guaranteed of an excellent ASUS warranty service for your ASUS notebook.

Remember to stick your ASUS IWEP Label next to the serial number at the back of your ASUS notebook and keep your VIP card in a safe place for future reference.
