

ASUS Chromebook Enterprise CX9 | CX9400

Ultralight and tough for cloud-first business

ASUS Chromebook Enterprise CX9 is built for today's fast-paced, constantly evolving business world. With an ultralight 1.05 kg¹ aluminum-alloy chassis and U.S. MIL-STD 810H military-grade toughness, ASUS Chromebook Enterprise CX9 delivers reliable take-anywhere mobility with the nimble performance of up to an 11th Gen Intel® Core™ i7 processor. It also features ultrafast WiFi 6, a Harman Kardon-certified dual-speaker audio system, a fingerprint sensor for password-free login², and up to a 4K UHD touchscreen display³ — all to empower employees with the tools needed to get the job done efficiently and effectively, from anywhere.

Thin and light weight

Made of aluminum alloy, ASUS Chromebook Enterprise CX9 keeps weight down to an ultralight 1.05 kg¹. With a 16.0 mm ultrathin¹ profile, it emanates a sense of premium quality and professionalism and also easily slides into a briefcase.

Exceptional performance

ASUS Chromebook Enterprise CX9 is powered by an up to 11th Gen Intel Core i7 processor with Iris X^e graphics³ and superfast intel WiFi 6, providing quick and responsive computing, networking and graphical performance with enterprise-grade manageability.

Seamless visuals

The four-sided 92%⁴ NanoEdge display maximizes screen area and screen-to-body ratio, making viewing experiences more immersive. An optional 4K UHD touchscreen³ display offers wide viewing angles and exceptional color reproduction for incredibly vivid, true-to-life imagery.

A touch of genius

ASUS Chromebook Enterprise CX9 supports ASUS Pen⁵ and the latest Universal Stylus Initiative (USI) 1.0 standard to give you a natural-feeling active stylus experience.

Military-grade toughness

ASUS Chromebook Enterprise CX9 is built of ultra-strong aluminum alloy and meets next-level, industry-leading U.S. MIL-STD 810H standards⁶. It also undergoes stringent in-house testing to ensure maximal toughness.

Day-long battery

Up to 14 hours⁷ of battery life on a single charge means ASUS Chromebook Enterprise CX9 is always ready for a full business day or long-haul flight. Panel Self-Refresh technology adds further energy efficiency to enhance battery life.

Ultimate user experiences

ASUS Chromebook Enterprise CX9 features an exclusive ASUS NumberPad³ for speedy data entry, ErgoLift hinge for responsive tactile typing, and a spill-resistant backlit⁸ keyboard.

Comprehensive connectivity

ASUS Chromebook Enterprise CX9 is loaded with I/O ports — including the cutting-edge Thunderbolt™ 4, the high-powered next generation of the universal cable connectivity solution, and USB Type-A and HDMI® ports for added flexibility.

Application Explore with Google Play⁹

Full access to Google Play⁹ lets your employee's favorite apps for work and creativity. Also, with seamless cloud integration, you can easily pick up right where you left off, from any device.

Security Built-in security features

With automatic updates⁹ and built-in anti-virus protection, ASUS Chromebook Enterprise series keeps your device safe, secure and always up to date.

Management IT tools for remote management

ASUS Chromebook Enterprise series enables IT to remotely enroll devices and set device policies, manage client certificates and monitor the fleet around the clock via the Google Admin console.

SPECIFICATIONS | CX9400

Model	ASUS Chromebook Enterprise CX9
CPU	Intel® Core™ i7-1165G7 Processor(12M Cache, up to 4.70 GHz) Intel® Core™ i5-1135G7 Processor(8M Cache, up to 4.20 GHz) Intel® Core™ i3-1115G4 Processor(6M Cache, up to 4.10 GHz)
Operating System	Chrome OS with Chrome Enterprise Upgrade
On board Memory	LPDDR4X 8 GB/16 GB
Memory Slot	N/A
Memory Max.	16 GB
Storage	128 GB~512 GB SSD PCIe Gen3
EMMC / ISSD	N/A
Display	14" FHD(1920x1080), Anti-Glare, 400nits, sRGB 100% ; 14" FHD(1920x1080), 400nits, sRGB 100%, Touch 14" UHD(3840x2160), 550nits, sRGB 95%, Touch
Touch Panel	Optional
External Video Display Modes	DisplayPort through USB Type-C ; HDMI2.0
Discrete GPU	N/A
Integrated GPU	Intel® Iris® X ^e graphics ; Intel® UHD graphics for 11th Gen Intel® processors
Video Memory	N/A
Video Camera	User-Facing: 720p HD
Fingerprint Sensor	Yes
On board Wireless	WiFi 6+BT 5
Wireless	N/A
LAN	N/A
Card Reader	MicroSD
Interface	2 x TBT4 with USB 4.0 Gen3x2 Type-C (Full-function, support PD+Alt. mode) 2 x USB 3.0 Gen2 Type-A ; 1 x Micro SD card reader ; 1 x Audio combo jack
Audio	Harman Kardon certified ; Built-in array microphone ; Built-in Stereo 2 W Speakers with Smart AMP
Weight (kg)	Starting from 1.05 kg
Dimension (cm)	32.21(W) x 20.49(D) x 1.6~1.8(H) cm
AC Adapter	45W AC Adapter, Plug type: USB Type-C® ; Output :15V DC, 3A, 45W ; Input: 100-240V AC, 50/60Hz universal
Battery	50Wh 3-cell lithium-polymer battery pack
Replaceable Battery	N/A
Keyboard Type	Chiclet Keyboard, 1.5mm key travel distance, backlit, spill-resistance ⁸
Durability	US MIL-STD 810H military-grade standard ; Spill-resistant ⁸ and tamper-resistant keyboard ; Mg-Al chassis
Security	Kensington Lock slot / Titan C Security Chip
Certificate	Energy star, UL, CE, CB, FCC
Warranty	Up to 5 years
Price	Start from USD \$899

1. Weight and dimensions may vary according to configuration.
2. Users will need to set a password the first time the device starts up.
3. Specifications may vary by model and region.
4. The stated width of the side bezel is the distance between the edge of the non-active screen display area and the inside edge of the case. If the case width is included, the side bezel width is 5.7 mm. The stated width of the bottom bezel is the distance between the edge of the non-active screen display area and the visible edge of the display when the laptop is opened to 90°. Measurements are based on the standard (not anti-glare) display configuration.
5. ASUS Pen sold separately and will be released at a later date.
6. ASUS Chromebook CX9 series laptops undergo multiple quality tests but are not subject to all tests of the U.S. MIL-STD 810H. The testing data includes the requirements of both military-grade standards and ASUS quality tests.
7. Battery life based on Chromium OS power load test. The 14-hour use on a single charge was determined by looping local video playback at higher than 80 nits and at the default display brightness level. Battery performance is based on a mix of standby, web browsing and other use. Charging time requires the battery to be at least 5% charged, with the device inactive and using the included charger. Actual battery life depends on usage, specifications, applications and environment, among other factors.
8. ASUS Chromebook CX9 keyboard is spill-resistant, not waterproof. Water damage is possible if the product is submerged or exposed to large amounts of liquids for long periods of time. ASUS standard limited warranty does not cover problems resulting from accidents such as water damage. To prevent water damage resulting from large spills or other accidents, ASUS recommends turning off the notebook, then tilting the laptop to drain away the excess liquid, wipe off and let it dry for at least 24 hours.
9. Internet connection required. Google, Google Play, YouTube and other marks are trademarks of Google LLC.

Webcam shield

16 mm thin¹, 1.05 kg light¹

Optional 4K UHD touchscreen³

180° ErgoLift Hinge

Kensington lock slot

Spill-resistant backlit keyboard⁸

Fingerprint Sensor

ASUS exclusive NumberPad LED-illuminated numeric keypad³

Aluminum alloy metal

Thunderbolt™ 4 USB-C®

Made of aluminum alloy using the high-precision CNC manufacturing process, its chassis is strong, flexible and lightweight.

An LED-illuminated NumberPad is perfect for crunching numbers. Clever software lets you control the cursor, even when NumberPad is activated.

With ErgoLift hinge, the keyboard automatically tilts to the most comfortable typing positions.

OMNI-CONNECTIVITY

Multiple connections ensuring a seamless interface

Thunderbolt™ 4.0 supports Power Delivery,
Display Connectivity & Data Transfers

3-Year international warranty
100% free of charge,
with no hidden costs.

Pick Up & Return service
Enjoy a door-to-door service
including pick up, repair, and return.

Warranty extension
Extend service coverage to match
the expected length of use time.
